### *The Square*

108 Minutes (2013)

A film by Jehane Noujaim

In January 2011, millions of Egyptians converged on Tahrir Square to demand democracy and the fall of the decades-long Mubarak regime. They joyfully welcomed President Hosni Mubarak's resignation in February 2011, but that was only the beginning.

*The Square* follows its young citizens through the Muslim Brotherhood's subsequent rise to power and brutal attempts to suppress resistance.

*The Square* pays tribute to the freedom fighters who took to the streets during this modern revolution and who are still fighting to achieve a society of freedom and conscience.
