The Ghost Army

68 Minutes (2013)

A film by Rick Beyer

War, deception, art, and glory come together in the documentary film ***The Ghost Army***, the astonishing true story of American G.I.s — many of whom would later have illustrious careers in art, design and fashion — who tricked the enemy with rubber tanks, sound effects and carefully crafted illusions during the Second World War. ***The Ghost Army*** tells a remarkable story of a top-secret mission that was at once absurd, deadly, and amazingly effective.
