Ingrid Bergman *in Her Own Words*

1 Hour 54 Minutes (2015)

A film by Stig Bjorkman

Ingrid Bergman in Her Own Words - Made on the occasion of the one hundredth anniversary of Bergman's birth, this documentary gives unprecedented access to her world, culling from the most personal of archival materials – letters, diary entries, photographs, and 8 mm and 16 mm footage Bergman herself shot – as it follows her from youth to tumultuous married life and motherhood.
