

Health Care Ethics II From Paternalism to Autonomy

Presented by: Dennis Murphy, M.D.

Tuesday, February 5, 2013

1:30-4:30pm

Goleta Branch Library

500 North Fairview, Goleta

To whom is your physician responsible? You as patient or your insurer/governmental agency as payor? What is the ideal patient-physician relationship? Is your physician your advisor, your informant or your partner in health care?

Actual case presentations plus your experience/input will be the basis for discussion to explore these and other questions in contemporary health care.

This seminar follows last year's informative presentation by Dr. Murphy
