

Systems (Insurers and Government) & Individuals (Patients and Physicians)

Presented by: Dennis Murphy MD

Wednesday, March 2, 2016

1:30 pm - 4:30 pm

**Maravilla Club Room
5486 Calle Real**

This seminar will touch upon important topics discussed in medical journals in the past year. They are: health information technology, medicare, insurance, cognitive outcomes in the elderly, various sites of care, suicide and physician assisted dying.

We will examine behavioral and social factors, which are surprisingly influential upon outcomes of care. Attendee participation will be strongly encouraged, as this will affect the success of this review.
