

# From *Frasier* to *Star Trek* ... and Beyond! The Magic Behind Television Music

Presented by: David Grossman

805-967-6030 vistas@vistaslifelonglearning.org

## Wednesday, May 8, 2024 • 1:00 – 3:30 p.m.

Bethany Congregational Church 556 N. Hope Avenue, Santa Barbara

Get a sneak peek behind the curtain of your favorite television theme songs and soundtracks over the decades and then soar out of this world as we make a connection between the music we hear on TV and movies about space and the real sounds of our cosmos.

Ever wonder about who chooses the composers, songwriters, musicians—or the song coming from a car radio—to add just the right touch to your viewing experience? Or why musicians on-camera look like they are out of sync? And how actors with no musical experience can be made to look and sound like they are accomplished musicians?

This—and more—will be revealed as we look, listen, and converse about shows like Cheers, Frasier, Star Trek, and NCIS, as well as the stories behind many of the early themes in television history.

#### Preferred registration deadline<sup>\*</sup>: May 1, 2024

\*Early enrollment helps us with our planning; also, those who register by the preferred deadline will be given priority in case of over-enrollment.
